YOUR SPEAKERS:

Michelle L. Murray, PhD, RNC is an award-winning Educator, Author, and Expert. For more than 2 decades, Dr. Murray has presented seminars to thousands of nurses, midwives and physicians across the United States and Canada. She has written and/or produced best-selling fetal monitoring resources including books, monographs, a CD-ROM, a Guide to Fetal Monitoring, and Labor Management cards which are available at www.fetalmonitoring.com. Dr. Murray's latest publication is *Labor and Delivery Nursing: A Guide to Evidence-based Practice*. Her work has appeared in journals such as *JOGNN*, *MCN*, and *The Journal of Perinatology* and she has received awards of excellence in education from Sigma Theta Tau New Mexico and AWHONN District VIII.

Nanci Koperski, RNC, LNCC, MBA, MHSA is certified in in-patient obstetrics and legal nurse consulting with a masters degree in business administration and healthcare administration. She has been a labor and delivery staff nurse, a patient care coordinator in women's health in a community hospital, and a quality improvement coordinator. Ms. Koperski has also been a labor and delivery nurse specialist, nursing supervisor, healthcare administrator and Vice President of Operations at a major healthcare institution in Arizona. Nanci was selected as a reviewer of the new book, *Labor and Delivery Nursing: A Guide to Evidence-based Practice*. She currently works in an attorney's office in Omaha, Nebraska reviewing and summarizing medical records in medical malpractice, personal injury, and drug/device cases. Ms. Koperski also prepares experts and clients for deposition and trial testimony.

Laura Brown, JD graduated from Baylor University in 1989 with a degree in biology. She then attended Baylor University School of Law and graduated in 1992. She is a third generation trial lawyer who grew up watching her father and grandfather take cases to trial in East Texas. She has spent 7 years defending medical negligence cases. In 2000, she joined another attorney in a law practice that represents children who have suffered from birth injuries. Laura is also an adjunct Professor at the Baylor Law School where she teaches personal injury trial law. She was named as a Texas Super Lawyers' Rising Star in Law & Politics. She is also a member of the Waco-McLennan County Bar Association and has served as a Director from 2002 to 2004.

KEY COURSE OBJECTIVES

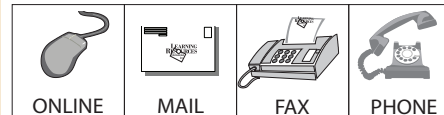

BY THE END OF THIS SEMINAR, YOU SHOULD BE ABLE TO:

1. List 5 common themes related to malpractice litigation.
2. Identify 4 ways to reduce liability.
3. Identify 3 internal and 3 external sources of the standard of care.
4. Define a sentinel event and discuss patient safety initiatives.
5. Differentiate 2 types of malpractice insurance plans.
6. Document communication and disagreements in the medical record.
7. Discuss terminology that should and should not be documented.
8. Identify the 4 elements of a malpractice lawsuit.
9. Describe 4 things to do when you have been named as a defendant in a malpractice lawsuit.
10. List 3 do's and 3 don'ts of giving testimony.

WHO SHOULD ATTEND

Staff nurses, advanced practice nurses, certified nurse midwives, nurse practitioners, physicians, paralegals, and legal nurse consultants.
