OB Documentation & Legal Issues in OB Care

New

YOUR SPEAKER:

Charlotte Daniels RNC, BA brings 25 years of expertise in labor and delivery. She currently works in the birthing center at a level 2 Chicago suburban hospital. Char has been responsible for various aspects of maternal and newborn care, including: ante-partum, labor, vaginal and cesarean delivery, operating room, post-partum/newborn care and fetal monitoring education.

In addition to her clinical work, Char has provided legal nurse consultant services for both the plaintiff and defense over the past 12 years. She has been involved in cases across the United States and has reviewed hundreds of obstetric-related cases. Char is able to provide real-life helpful hints as a result of her experiences with depositions and testifying at trial as an expert witness.

Char's commitment to her practice specialty is demonstrated through her active memberships with the Association of Women's Health, Obstetric & Neonatal Nurses and the American College of Obstetricians and Gynecologists as an Educational Affiliate. She is certified in electronic fetal monitoring and inpatient obstetric nursing. Char is well versed on the topics that will be discussed during this comprehensive seminar because of her current obstetrical expertise and her valuable legal insights. Plan to attend this program to learn beneficial tips to ensure safe practice!
